

CANYONING

IMPORTANT INFORMATION BEFORE THE START OF THE ACTIVITY:

1. MEETING POINT:

[The Reception of the Labrca Tourist Centre, Tolmin](#)

2. SAFETY:

Your safety is our top priority, so please follow the instructions of the guides and other Maya Team staff at all times during the activity. Failure to follow these instructions could result in an accident in the canyon, which is something nobody wants. The biggest challenge in the canyon is a 27-metre waterfall. Your guide will lower you down the first 12 metres by rope, after which you will continue with a 15-metre free slide down the waterfall. If you or anyone in your group feels afraid or does not feel comfortable attempting this, there is no need to worry. You can skip this waterfall and walk back to the van together with the driver.

3. ARRIVAL:

Your reservation is valid **exclusively for the selected date, time and activity**.

If you arrive **more than 30 minutes** after the agreed arrival time, you will be considered to have missed your scheduled time slot. The activity will begin without you, your reservation will be forfeited and it will not be possible to transfer it to another time slot or receive a refund.

The guides will provide you with all the necessary equipment, after which we will transport you to the starting point in one of our vehicles, where you will change into your wetsuit. Leave the dry clothes you are wearing in the van. This is followed by an approximately 20-minute ascent up a steep slope to the starting point.
