RE: Reference from Mark Hanrahan, Haymarket Media Group

I have had the pleasure of visiting Kobarid and Tolmin, Slovenia both this summer and last for both a family holiday and to entertain my valued business partners. I have to say, I will most certainly be returning again and again and again in the future having had the most amazing time. This is due, in no small part to the Maya team whose hospitality, coaching and local insight made each of my trips hugely enriching experiences.

Maya ensured my accommodation (Kobarid's 'Hisa Franko') was some of the best I have experienced Europe-wide, whilst the challenges, fun and excitement myself and my partners experienced whilst Teambuilding activities were the most professional I have ever experienced. Maya team ensured that we were in very professional hands.

I would like to pass on my sincerest thanks to Borut and his team of instructors who have become firm friends during my time spent in Slovenia. I would recommend their services to any company looking to build team spirit or communication skills.

My sincerest thanks and warmest regards.
